About Our Agency

The **Chinese-American Planning Council, Inc. (CPC)** was founded in 1965 and has become one of the largest providers of social services for Asian Americans in the United States.

Asian Child Care Resource & Referral (ACCR) is one of the programs offered by CPC's Community Services. ACCR is part of the New York City Child Care Resource and Referral Consortium (NYC CCR&R Consortium), composed of four culturally diverse child care resource and referral agencies in New York City, and funded by the New York State Office of Children and Family Services (OCFS). Our service goals are to serve the child care needs of families by providing information and referrals, as well as increasing the supply and improving the quality of child care services through technical assistance and training.

Our staff is multi-lingual in English, Chinese, and Spanish. We provide parents with free information on quality and affordable child care and assist them in navigating New York City's complex child care delivery system. In addition, ACCR offers Family Day Care orientations, training, technical assistance, and grants to potential and existing child care programs/providers, in order to increase the supply and improve the quality of child care services in New York City.

NYS Office of Children and Family Services' Regulations on Provider Training

All child care staff/employees/caregivers and volunteers with potential for regular and substantial contact with children are required by the New York State Office of Children and Family Services (OCFS) to complete **a total of thirty (30) hours of training every two (2) years**. Such training must address the following topics:

1. Principles of childhood development, focusing on the developmental stages of the age groups for which the program provides care
2. Nutrition and health needs of infants and children
3. Child day care program development
4. Safety and security procedures
5. Business record maintenance and management
6. Child abuse and maltreatment identification and prevention
7. Statutes and regulations pertaining to child day care
8. Statutes and regulations pertaining to child abuse and maltreatment
9. Education and information on the identification, diagnosis, and prevention of shaken baby syndrome

NYS Core Body of Knowledge (Core)

The Core Body of Knowledge, New York State's Core Competencies for Early Childhood Educators, was written for professionals who work directly with young children and was published by NYC Early Childhood Professional Development Institute.

1. Child Growth and Development
2. Family and Community Relations
3. Observation and Assessment
4. Environment and Curriculum
5. Health, Safety, and Nutrition
6. Professionalism and Leadership
7. Administration and Management

Child Development Association Competency Standards and Functional Areas (CDA)

The CDA Competency Standards are the national standards used to evaluate a caregiver's performance with children and families during the CDA assessment process. The Competency Standards are divided into six Competency Goals, which are statements of a general purpose or goal for caregiver behavior. The following six Competency Goals apply to all child care settings:

1. To establish and maintain a safe, healthy learning environment;
2. To advance physical and intellectual competence;
3. To support social and emotional development and to provide positive guidance;
4. To establish positive and productive relationships with families;
5. To ensure a well-run, purposeful program responsive to participant needs;
6. To maintain a commitment to professionalism.

Child Development Associate/CDA (120 hours)

- a. CDA is the most widely recognized credential in early childhood education (ECE). The CDA National Credentialing Program is based on the knowledge of the nation's leading scholars in early care and learning.
- b. CDAs are able to meet the specific needs of children and work with parents and other adults to nurture children's physical, social, emotional, and intellectual growth in a child development framework.
- c. Earning a CDA credential can improve your skills and confidence in working with children. It can also increase your opportunities for advancement in the early childhood field by helping you become eligible for positions such as Director, Group Leader, and Assistant Teacher.

Course Schedule

The 120-hour CDA course will run 17 Saturdays. CPC will offer two cycles of the 120-hour CDA:

- First CDA cycle starts in April 2019.
- Second CDA cycle starts in October 2019.

****We offer scholarships to cover the costs associated with the "120-hour CDA" course. Please contact Mr. Kevin Tam at (212) 941-0030 ext. 160 to determine your eligibility!**

Adult and Pediatric First Aid/CPR

(Curriculum approved by the American Red Cross)

(OCFS 1, 2, 3, 4; Core: 5, 7; CDA: 1, 2, 6)

This training combines lecture, interactive video demonstrations, and hands-on practice. It will prepare all caregivers with the first aid skills needed to act quickly and competently during an emergency, and how to prevent, recognize and respond to cardiac and breathing emergencies in infants and children under 12 until authorized medical personnel arrives.

Upon successful completion of written and demonstration tests, participants will be given American Red Cross First Aid and CPR (adult and pediatric) certification, which is valid for 2 years.

This training meets the following OCFS content area(s):

- Nutrition and Health Needs of Infants and Children
- Safety and Security Procedures
- Statutes and Regulations Pertaining to Child Day Care

“On August 13, 2010 a law was passed that requires all child care providers to have at least one employee who holds a valid certificate in cardiopulmonary resuscitation (CPR) and first aid on the premise of the child care program during the program’s operating hours. This law went into effect on December 11, 2010...Providers found to be out of compliance may be found in violation of law and could face enforcement action.”
